

Employment Opportunity:

Program and Tournament Director

The First Tee Overview

The First Tee of Tucson is one Chapter of an international non-profit youth initiative called The First Tee. The First Tee was created in 1997 by the World Golf Foundation to provide young people of all ethnic and economic backgrounds an opportunity to develop, through golf and character education, life-enhancing values such as honesty, integrity and sportsmanship. By engaging young people in a combination of life skills, leadership and golf activities, they also are exposed to positive traits that will help them achieve success in life. In the process, participants become valuable assets to their community. The First Tee Life Skills Experience is the unique component that sets The First Tee apart from many other successful junior golf programs and youth development programs through sport.

Chapter Overview

The First Tee of Tucson was established in 2006 through the efforts of the Tucson Conquistadores, a local civic group established in 1962. The Conquistadores partnered with the PGA TOUR and the City of Tucson to bring The First Tee program to the Trini-Alvarez El Rio Golf Course. The Conquistadores have raised over \$36 million for youth athletic programs in Southern Arizona, primarily through hosting PGA TOUR golf events.

The Tucson community boasts a long and successful history in junior golf. In fact, The Tucson Conquistadores was considered a pioneer in the development of junior golf when they partnered with the city of Tucson and volunteer golf professionals in the 1960s to provide youngsters free golf instruction and course privileges at municipal courses. The First Tee of Tucson has taken this concept leaps forward.

Children from every corner of the community, especially disadvantaged children, can be recruited and their needs accommodated. The Conquistadores Youth Golf Fund funds and operates the program. Minimal staff is on site providing proven mentoring and life skills programs developed by The First Tee with the assistance of trained volunteers. The home of The First Tee of Tucson is located at the city of Tucson's Trini Alvarez-El Rio Golf Course, 1400 W. Speedway. The course enjoyed a \$2.9 million renovation effort as the result of a partnership between the city, Tucson Conquistadores and The First Tee.

Improvements also included making the facility more accessible for youth play. Additions included adding junior tees to each hole; adding three junior training holes on the driving range; and a junior practice area on the course. The Tucson Conquistadores built The First Tee of Tucson Learning Center which opened in October 2009.

The First Tee of Tucson is the home of the Tucson Conquistadores Junior Golf Program, hosting 20 junior golf tournaments on a yearly basis. Formerly known as the Southern Arizona Junior Golf Association (SAJGA) and the Ricki Rarick Junior Golf Program.

The First Tee of Tucson participates in the PGA Southwest Section Southern Chapter PGA Jr League Spring & Fall seasons, hosting 4 teams out of El Rio Golf Course.
