Job Description

First Tee – Greater Charleston is looking for two 2022 summer interns:

As the leader of the outreach programs, the intern will create lesson plans to engage new-to-golf participants from partners such as Parks and Rec Department camps and Special Olympics. For the collaborative role, the intern will assist the lead coaches with Core Golf & Life Skills classes while also assisting with the chapter's PGA Jr League team. 2. The Game Changers Coordinator Intern will assist with the middle school Game Changers program for the entirety of the summer. It was started last summer to offer a full summer camp experience for underserved students who are on the brink of success. Participants join during the summer before sixth grade and continue through high school. They will meet daily (Monday-Friday) during the summer for an inclusive golf and life skills education and mentoring program. During the summer of 2022, there will be 14 Game Changers (8 entering 6th grade and 6 entering 7th grade) and 3 coaches. The intern will be in charge of setting up and leading morning golf activities, picking up lunch daily for all participants, and assisting with afternoon enrichment, STEM, and field trip opportunities.
