

Eligibility Criteria for 2022 Participant Opportunities

Involvement in First Tee provides unique opportunities for teen participants. These opportunities have been created to recognize and reward the commitment participants have made to being a game changer on and off the course, through character development, education, and golf skills. Modifications to qualification requirements have been made over the past several years to encourage teen retention and progression among the chapter network. We encourage chapters to ensure the participants applying for these national opportunities reflect the diversity (age, ethnicity, gender, etc.) of the chapter.

Below you will find the requirements that are unique to each of the 2022 Participant Opportunities. To be eligible to apply, an applicant must meet ALL of the requirements specific to that event.
