Organization Overview

The Lake Michigan Junior Golf Association was established in December of 2006 to provide junior golf tournaments in West Michigan to all youth. In 2011, The Lake Michigan Junior Golf Association shifted its focus to establishing a chapter of First Tee - West Michigan. On June 23, 2011, First Tee - West Michigan officially became a chapter of First Tee.

First Tee - West Michigan is one of 150 chapters worldwide that are part of a global non-profit youth initiative. First Tee was created in 1997 by the World Golf Foundation to use golf and character education to provide young people of all ethnic and economic backgrounds an opportunity to develop life-enhancing values such as honesty, integrity and sportsmanship. By engaging youth in a combination of life skills, leadership and golf activities, they are exposed to positive traits that will help them become valuable assets to their community and eventually achieve success in life. First Tee's Life Skills & Golf Experience curriculum is the unique component that sets it apart from many other successful junior golf programs.

At First Tee - West Michigan, we are highly focused on reaching out to at-risk and disadvantaged youth. We want our participants to see the beauty of the golf course, learn the skills they need to succeed in life, and build relationships with those who care for their well-being.
